**From Pastor Gary**

Most of you are familiar with the story of the Sunday School teacher who asks the class "what is God's name"? One little boy raises his hand and says, "Andy". The teacher inquires and the little boy says, "Andy walks with Me. Andy talks with me." It's a cute story that tells the reality of Easter.

If you remember back to the first few chapters of Genesis, God was walking in the garden. I think from the beginning, God always wanted to walk with his creation. He went walking with Adam and Eve and he wants to walk along side of us.

On the Road to Emmaus (Luke 24: 13-35) Jesus came up along side of two disciples, one of whom was named Cleopas. Jesus came along side of them and walked with them.

One of the great things about going on a walk is the conversation. Amanda and I have made a lot of decisions and discussed many things on walks. Going on a walk with your spouse or a friend is a great way to improve a relationship and become closer.

A walk with God is the same. It improves your relationship. The more you go "walking with God" the closer you will become. As Jesus walked with these two disciples he taught them and opened the scriptures to them. They discovered that their hearts were burning within them as they walked and talked with Jesus.

On Easter we celebrate that Jesus rose from the dead-that He Lives. Jesus died for us and paid the penalty for our sins. The reality of Easter is that Jesus lives, he walks with us and he talks with us and He lives within our hearts.

I hope Jesus lives in you. I hope you go walking with Jesus and that your heart burns within you like it did with those two disciples who walked with Jesus.

**UMW REPORT**

How can the United Methodist Women's organization interest the women in our church????? At present, we have 14 members.

UMW meets 10 times during the year. Our summer activities consist of our Ecumenical Luncheon and a luncheon meeting out of town. Last year we met with the Mountainair women for a pot luck luncheon in their dining room. This year, we plan to have an ice cream social in June as a fund raising project. This will be held on the church lawn, weather permitting.

Our main purpose is to support missions, locally, nationally and inter-nationally.

We would welcome any lady to our organization, whether she is a member of a church or not.

*-Ethel L. Floyd, Pres.*

**News from the Worship Committee:**

The Worship Committee had its first meeting of the year on February 13th, with committee members Julie Griffo, Morrow Hall, Elaine Darnell, and Pastor Gary in attendance. Our first order of business was to discuss services for Holy Week. We will be holding a joint Maundy Thursday service with Mountainair at the Estancia UMC. There will not be a separate Good Friday service.

Our committee needs input from the congregation about what you would like to see during our worship services. Please keep in mind that the purpose of having worship services is to worship God through praise, prayer, and hearing His Word. How can we best do that? Let us know of any comments, questions, or concerns that you might have. We will prayerfully consider your opinions and requests. One change that we have decided to make is that we will go back to celebrating Holy Communion only on the first Sunday of each month. We will also be having our "Joys and Concerns" time right before the Pastoral Prayer instead of during the announcements.

We also need your participation. Please sign up to help out during our services by being a greeter, usher, scripture reader, or worship assistant. We would also appreciate you sharing your gifts with us - sing a song, read a poem, do a skit, give a testimonial - whatever you feel God is leading you to do. He gave you your talent, and He wants you to share it with your church family. Remember, we are the Body of Christ, and it is up to all of us to serve and worship Him.

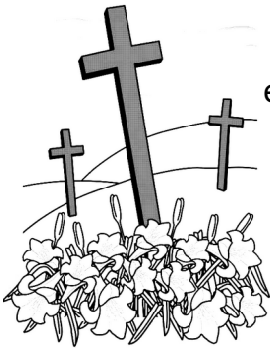

In His Service,

*-Julie Griffo, Chair*

### **A Time of Prayer and Fasting -- March 22 6:00pm in the Sanctuary**

Please join us for a time of prayer and fasting beginning at 6:00pm on March 22. It is a great opportunity to humble ourselves and seek God. If you have never fasted before, you may want to start with fasting one meal (Tuesday evening) and coming to the prayer service that night. Fasting will end at 5:00pm on Wednesday evening when we gather for the evening meal. This will be a time of focusing on God. John Wesley said this, "First, let it be done unto the Lord with our eye singly fixed on Him. Let our intention herein be this, and this alone, to glorify our Father which is in heaven..." As we humble ourselves before God we will seek God's direction for our church--the work he wants us to accomplish, and that people would come to know Christ through the ministry of our Church.

### **Easter Sunrise Service and Breakfast**

This year on March 27 Easter morning sunrise service will be held at Estancia United Methodist Church at 7:00am. Breakfast will follow in the education building at 8:00am hosted by the United Methodist Men. If you would like to donate your time and/or food items, please contact Nick Griffo (384-2523). Monetary donations will also be accepted to help with food costs, and any money not used for this event will be given to the Waco Children's Home.

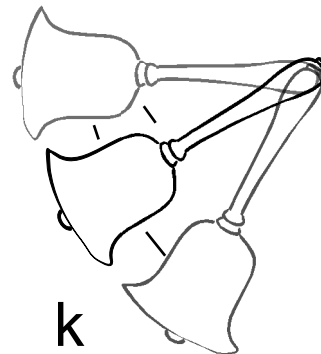

### **Adult Sunday School Class on Sunday Morning!!**

Beginning March 13 at 10:00am Mel Stephenson will teach an adult Sunday School class for anyone interested. Bring your friends, neighbors and anyone else that would enjoy a good Bible discussion on the Lord's Day.

## **HISTORY NOTES**

As you are all aware, our church's 100th anniversary celebration is only about 5 months away and the history book that the History Committee has been preparing for the last year is just weeks from being finalized and going to the printers. One of the more interesting sections of the book is the recollections of past members from the church's first 75 years. We have been featuring excerpts from this section during the past few months and we will continue doing so from time to time until the celebration.

The excerpt below was written by Phil Galbreath whose father, Rev. Clyde O. Galbreath, was our pastor during the years 1940 to 1949.

*"Dad made a lot of improvements, such as the concrete front steps to the church. The street in front of the church and parsonage was always a lake when it rained. It was fun to play in, but Dad took his 4 ft x 4 ft trailer on a Model T frame and hauled enough sand and gravel to fill in the road. I remember a bridge over the drainage ditches at the corner in front of the church, where I rode my bike off and landed on my head. Dad had a grand plan to build a recreation center for the community with a house for a recreation director to live in, a tennis court, and a building to house a swimming pool and other recreation space. Much of the material for the house came from tearing down an old house. My dad was in the process of tearing down this old house when the roof rafters collapsed and knocked him off the wall, cutting a long gash across his left cheek and jaw. The tennis courts were finished and the house was nearing completion when the family left in June of 1949. I remember a crew working on the tennis courts when the concrete was poured. I do not remember anyone helping Dad with the house building, but from this perspective I have to believe he had help."*

*"Sadly, I don't remember much about specific people. I remember a lot of folks being around and having a hand in taking care of me. One of the few I do remember by name is Fred Ayers. He was a lawyer, and I remember him typing on his office typewriter with one finger from each hand, passing out bulletins at church, and then sitting on the chair at the back of the church and appearing to be asleep while leaning the chair against the door frame. I also remember Mr. Ayers at a committee meeting at the parsonage the night Dad had his face cut. Mr. Ayers appeared to be asleep and was snoring. Someone addressed a question to him. He seemed to gather himself together and answered as if he had not been sleeping - or so the memory of an 8 or 9-year-old recalls."*

The Mountainair Community Chorus is gearing up for a concert next summer and we would love to have any Estancia singers, who wish to join us, participate. Rehearsals begin Tuesday, Feb. 22, at the Mountainair Methodist Church at 7:00 pm. Practice will be each Tuesday at 7 PM. There are no auditions and you don't have to read music! We do charge a music fee of about \$10 each. Patty Mahoney is the director, and Mary Jones and Noelle Sharp from the Mountainair congregation sing, so you won't be totally bereft of familiar faces. If you love to sing and laugh (we do a lot of laughing!!!), come check us out. If you can't come to the first rehearsal, come to the second. If you wish more information, call Patty at 384-4157.

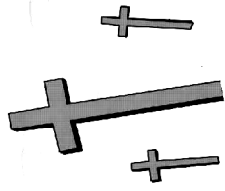

# EASTER!

Since its conception as a holy celebration in the second century, Easter has had its non-religious side. In fact, Easter was originally a pagan festival.

The ancient Saxons celebrated the return of spring with an uproarious festival commemorating their goddess of offspring and of springtime, *Eastre*. When the second-century Christian missionaries encountered the tribes of the north with their pagan celebrations, they attempted to convert them to Christianity. They did so, however, in a clandestine manner.

As it happened, the pagan festival of *Eastre* occurred at the same time of year as the Christian observance of the Resurrection of Christ. It made sense, therefore, to alter the festival itself, to make it a Christian celebration as converts were slowly won over. The early name, *Eastre*, was eventually changed to its modern spelling, Easter.

### **WHAT HAPPENED TO THE CHURCH WINDOWS??**

Even though many of us knew that some of the windows in the sanctuary were to be replaced, it was still a shock this past Sunday morning when we arrived at church. Instead of the lovely painted windows we are use to seeing, eight large panes had been replaced with clear glass. The glass was so clean it looked like there was no window! Over time these windows had become cracked and were a hazard. Pictures and drawings have been made so the new windows can be painted as before. The large job of maintaining and repainting the windows has been kept up by Ray Darnell and his family for over 20 years. Each window cost \$50 to replace. If you would like to help with the cost of replacement, any amount will be gladly accepted.

#### **OUR MISSION**

To honor God through our worship, ministry and discipleship based on God's Word; supporting one another with Christian Fellowship and reaching out to share the Good News of Jesus Christ.
